*“An Intertemporal Discourse
upon the Society, Culture, Polity
and Economy of North-Eastern
and Eastern India”*

Acharya Brojendra Nath seal
College is a premier Higher
Educational Institution in
North Bengal and North
Eastern Region of India. It has
been playing a major role in the
field of dissemination of
collegiate education and the
upliftment of the society and
culture of North Bengal and
North-East India. In the year
1888, His Highness Maharaja
Nripendra Narayan Bhup
Bahadur of “CoochBehar
Princely State” founded the
Noble Institution-VICTORIA
COLLEGE. The date of its birth
is 15th of June 1888. In course of
its more than one century old
life time, it has reached at a
position of distinguished centre
of learning not in the the Indian
subcontinent but also for the
world.

**Brief Concept Note of the
Proposed National Seminar:-*

North-Eastern and Eastern
India are two naturally,
environmentally and socio-
ethnographically diversified
regions of the Indian Sub-
Continent (“Bharatabarsha”).
Alike other regions, from time
immemorial these two regions
have immense role and
contributions for the growth
and development of this
civilization in the spheres of its
society, culture, polity and
economy (Ref. Books: “Atiter
Ujjwal Bharat” by A.Dasgupta
and “Kirata Jana Kriti” by

S.K.Chatterjee). But about their
roles and contributions, there are
not seen significant systematic,
methodical, intensive and extensive
studies upon the said spheres till
today.

Viewing such a situation, the
present Seminar entitled “An Inter-
temporal Discourse upon the
Society, Culture, Polity and
Economy of North-Eastern and
Eastern India” is being proposed to
be held for making a tiny effort to
begin a systematic, intensive,
extensive, methodical and
intertemporal discourse upon the
society, culture, polity etc. with the
utilization of minimum finance,
time and other resources.
